

**MORE THAN
31.000 DOGS**

WORLD DOG SHOW & GERMAN WINNER SHOW

8. - 12.11.2017 | Leipziger Messe

Dear Exhibitor,

We are looking forward to your participation in the World Dog Show & German Winner Show. With a record number of more than 31.000 entered dogs it will be the biggest dog show in the world. The statistics of the different breeds are available here: <http://www.wds2017.de/en/exhibitors/statistics/>

On <http://www.wds2017.de/en/exhibitors/news/> you will find the **hall and ring plan with the beginning of judging** (see: Start). It is sufficient to be at the ring 15 minutes before the judging starts. **Entry of the dogs: from 6.30 a.m.**

The dog entrances are located at the parking P1, P2 and A1 (map available under <http://www.wds2017.de/en/exhibitors/ring-plans/>)

Please have your ticket and vaccination card ready for a smooth process.

Start number and tickets

Please remember to bring the start number to the show in order to use the vouchers for admission respectively for the printed catalogue (if bought in advance). You do not receive a start number on site.

Important: If you are unable to present the pdf with the ticket code at the entrance, you will have to pay for a ticket on site. You can then print out the start number at the information points in Halls 4 and 5.

Vaccination Document/Pet Pass

The dogs being brought to an event (show) must have a proof that they have been vaccinated against rabies at least three weeks before the start of the show (bring vaccination documents/EU pet pass). The rabies vaccination is valid for 12 months from the day of the vaccination. If a longer period is to be made valid, then this extended period must be noted officially in the vaccination documents or in the pet pass in the field marked „valid until“. If a dog receives a re-vaccination against rabies within the validity period, then the so-called 3 week deadline no longer applies. For primary vaccinations, the dog must have been at least three months old at the time of the vaccination and the vaccination must have taken place at least 21 days before the event.

Online catalogue

According to the FCI exhibition rules the free online catalogue will be available on the day of the show at 5.00 am on <http://www.wds2017.de/en/home/>. You can use the free WLAN net in the hall for the download or the view or to print the needed pages at home.

Areas for the exhibitors beside the rings

Specific areas (green marked in the hall plan) solely designated for exhibitors can be found in each hall. In this way we ensure that the evacuation routes in the halls remain clear and unobstructed by equipment (pet carriers, grooming tables, chairs, etc.). In these areas the ex-

hibitors have the opportunity to prepare their dogs and wait for the competitions. In the show area, dogs may only be prepared for showing by combing and brushing without the use of any substances or grooming aids. **Hairdryers and tying dogs to so-called "gallows" is not allowed.**

We request that you make use of these designated areas near your ring. **Because of security reasons it is forbidden to use crate fences.**

You will find the ring plans on our website: <http://www.wds2017.de/en/exhibitors/ring-plans/>

Online-Tickets

You can order online-tickets for your companions. Please order the appropriate tickets in advance, otherwise you will have to expect waiting times at the dog admission.
